

KANGAROO DRAIN PIPE CLEANER

Description

A very strong acid based drain pipe cleaner, for use with all kinds of drain clogs.

Strong formula able to dissolve any clog caused by organic matter.

Advantages

- Single component, liquid, easy to use.
- Solves all types of drain pipe clogs.
- Fast acting
- Highly concentrated.
- Higher density than water which makes it reach down the clog and dissolve it.

Properties

Base	Acid - based
Color	Transparent
Density	1.8 g/cm ³
Packaging	500 g
Fire	Non-flammable

Way of Use

1. OPEN

Carefully turn cap counterclockwise. Don't squeeze bottle or splash product. (Clean up any spills at once.) To lock cap, turn clockwise and screw on tightly.

2. POUR

For use on clogged or slow-running drains, pour 25% or more of the bottle (depending on clog size) slowly into drain hole. For extremely slow-running drains or complete clogs, pour in half contents or full bottle.

3. SLOW FLUSH

Slowly flush some water to push the product to the clog point.

4. WAIT

Allow to work for 15 minutes. For tough problems, allow 30 minutes.

5. FLUSH AGAIN

Flush strongly with hot water. Repeat steps if necessary.

Cautions

Health and Safety: *KANGAROO DRAIN PIPE CLEANER is a very corrosive acid, it should be used very carefully.*

- *Wear facemask and gloves.*
- *Handle very carefully and avoid splash of spillage.*
- *Keep far away of children reach.*
